

NAGAVARDHAN REDDY LELLA

DIGITAL MARKETING PROFESSIONAL

 nagavardhan1437@gmail.com  +91 9087014237 

SUMMARY

Digital Marketing professional with experience in B2B marketing, website building, content, social media, email campaigns, lead generation and product marketing. Currently working on marketing for AI and technology products, including rebuilding and building websites, managing website content, creating product messaging, running email campaigns, generating leads and conducting market research. Uses AI tools for content creation, research and marketing workflows.

PROFESSIONAL EXPERIENCE

Marketing Executive | AIQoD May 2026 - Present

- Manage marketing activities across AIQoD and VentureHub360, covering content, social media, email campaigns, lead generation, product marketing and website marketing.
- Rebuilt the AIQoD website from its previous WordPress version and built the VentureHub360 website from scratch, working on website content, SEO and product messaging.
- Manage B2B lead generation, email campaigns and LinkedIn outreach, including lead sourcing, list preparation, segmentation and campaign execution.
- Develop product ICPs and conduct market and competitor research to understand target customers, product positioning, pricing and market opportunities.
- Create content, sales materials and AI-assisted marketing assets, including blogs, social content, sales decks, brochures and AI avatar videos.

Marketing Executive Consultant | AIQoD Nov 2025 - May 2026

- Managed social media content across LinkedIn, Instagram, Facebook and X for AIQoD and VentureHub360.
- Planned and executed email campaigns for multiple products, including segmentation, scheduling and follow-ups.
- Developed Ideal Customer Profiles (ICPs) by researching target customers, pain points, use cases and product positioning.
- Conducted competitor and market research covering pricing, features, AI capabilities and positioning.
- Created marketing and sales materials, product content and AI avatar videos using tools such as Canva and HeyGen.

Marketing Intern | AIQoD Aug 2025 - Nov 2025

- Generated 1,000+ targeted B2B leads using Apollo and Seamless.AI to support sales outreach. Researched target companies, prospects and potential partnership opportunities.
- Created content for emails, blogs, brochures and presentations.
- Created Canva marketing creatives and AI-generated short videos for product campaigns.

L V L Enterprises | Sourcing & Vendor Relationship Manager Oct 2023 – Oct 2024

- Managed vendor sourcing and relationships, including supplier coordination and procurement activities.
- Reduced procurement costs by 15% through vendor negotiation and strategic sourcing.
- Conducted market research and pricing analysis to support sourcing and purchasing decisions.
- Created product catalogues and marketing materials in Canva for client presentations.
- Coordinated with vendors on product requirements, pricing and supply, supporting smooth procurement operations.

Mettu Anji Reddy Conventional Hall | Event & Venue Manager

Jun 2021 – Aug 2023

- Coordinated and managed 50+ events, including weddings, corporate functions and school events.
- Managed event requirements, vendor coordination and day-to-day venue operations.
- Coordinated with clients and vendors to ensure events were organised and delivered smoothly.
- Created digital posters and promotional flyers using Canva for social media promotions.
- Supported customer relationships and generated referral bookings through service and word-of-mouth referrals.

Sri Venkateswara Stone Crusher | Manager

Jun 2019 – Mar 2021

- Managed day-to-day business operations, including orders, deliveries, vendors and customer requirements.
- Coordinated with suppliers and vendors to maintain material availability and smooth operations.
- Managed customer orders and delivery schedules to meet business requirements.
- Handled coordination across procurement, transportation and day-to-day operational activities.
- Supported overall business administration and operational decision-making.
